

ESSENCE OF STILLPOINT

PRESENTS

AN INTRO TO QUANTUMWAVE LASERS AND THE QUANTUMFIELD

The Quantumwave
Laser System

- * Pain Relief
- * Reduce Inflammation
- * Increase Circulation
- * Arthritic Pain
- * Relaxation
- * FDA, Health Canada & CE Approved for Over-The-Counter Use

Come experience a revolutionary non linear approach to quantum wellness based on the proven science of the Quantumfield, or energy which surrounds the body. This seminar will introduce easy-to-use tools for clearing stress and tension, using this non linear energy of the universe for health and rejuvenation, and the remarkable Scalarwave Laser as a tool to donate energy for pain relief, circulation, inflammation, arthritic pain, and relaxation of tissue.

Saskatoon Canada: Sunday May 27, 2012

1pm-6pm : 6pm-7pm : How to Build Community

Saskatoon Inn : 2002 Airport Drive : Saskatoon CAN

Meet founders,
Paul & Lillie Weisbart

Paul and Lillie Weisbart are the developers of Stillpoint. Rooted in the yogic tradition of the "space between the breath," Stillpoint is a systematic approach for dissolving into the quantumfield, to navigate this new season, manifesting, abundance, and the flowering of consciousness and full expression of this ripening moment.
